Subject: Important Update: Increase in Cost for Meals on Wheels

Dear Meals on Wheels Clients,

We hope this letter finds you well. We wanted to take a moment to inform you of an upcoming change regarding the cost of Meals on Wheels.

Starting June 1, 2024, there will be an increase in the cost of the Hot and Frozen meal options for Meals on Wheels. We understand that any increase in cost may cause concern, but we want to assure you that this decision was not made lightly.

The reason behind this adjustment is our commitment to providing you with a higher-quality meal experience. We have been diligently investing in improving the nutritional value and taste of the meals provided through Meals on Wheels. Additionally, we are transitioning to a new supplier for the hot meal who can offer a wider range of inclusive menu options to cater to various dietary needs and preferences.

We believe that these enhancements will greatly benefit all recipients of Meals on Wheels, ensuring that you receive nutritious, delicious, and diverse meals that meet your individual needs.

We understand the importance of Meals on Wheels in your daily lives, and we remain dedicated to ensuring that it continues to serve you effectively. If you have any questions or concerns regarding this change, please do not hesitate to reach out to our Food Services team at 416-405-5059.

Thank you for your understanding and continued support.
